

MASON  
FAMILY VISION

**The optomap (digital image of the retina) will be done annually for every patient UNLESS a waiver is signed.**

*Dr. Mason wants ALL patients to have a digital image of the retina annually with the new scanning digital imaging system. The test is only \$39.*

*Retinal problems such as macular degeneration, cancer, glaucoma, retinal holes, retinal detachments and diabetic retinopathy can now be seen **without dilation** for most patients.*

***Early detection is crucial!***
